1. Support

- Trafikverket employees should contact Trafikverket Helpdesk.

Mail: anvandarstodIT@trafikverket.se

Tel: +46-10-125 10 10

- Non Trafikverket employees should contact their own company IT department or appropriate data coordinator.

2. Software

- ProjectWise Explorer v.08.11.11.559
- Excel import/export, v.08.11.11.12
- IDA Customization, version "Trafikverket-08110308"
- Language add-on, same version as ProjectWise Explorer.
- Weblink add-on, v.9.0.0.2
- C++ runtime, v. Visual Studio 2012 11.0.60610.1

3. Functionality of the Installation pack

- Uninstalls ProjectWise Explorer, DAM add-on, IDA add-on and any previous language add-on.
- Cleans the registry

Dokumenttitel Installation guidance: ProjectWise Explorer, v08.11.11.559, Trafikverket's installation pack		

Web browser	Microsoft Internet Explorer 8 or later, only 32-bit.
License	Requires a ProjectWise Passport.

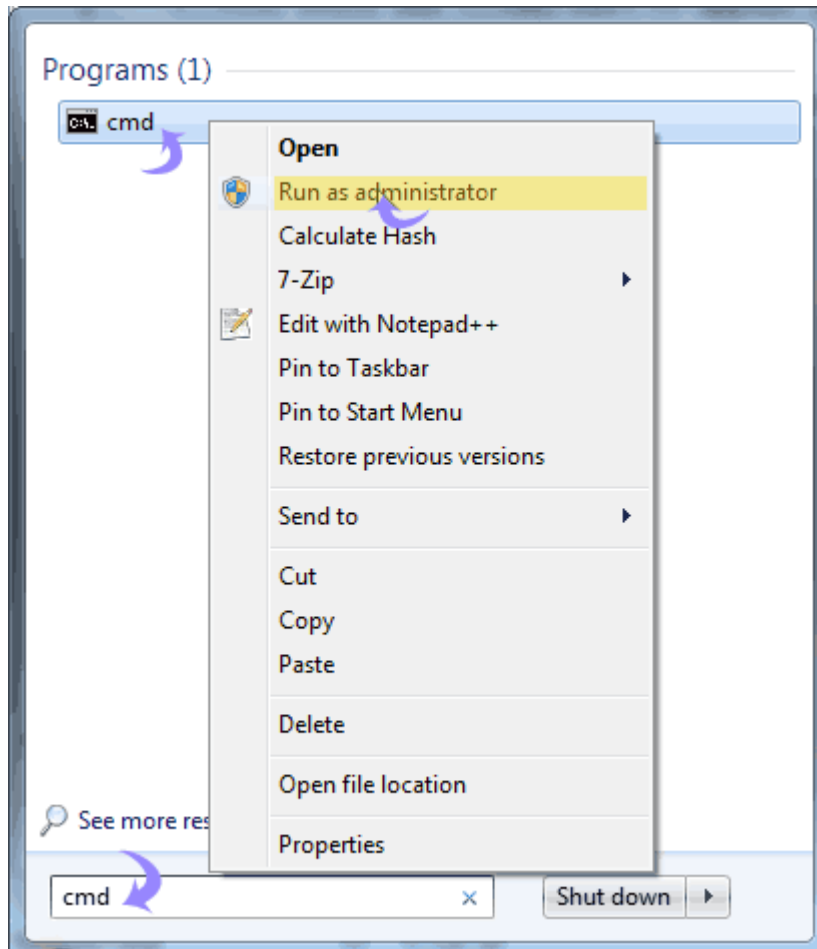

5. Installation guidance

1. Close the ProjectWise client or IDA client
2. Create a folder in "C:\temp" and name it "Projectwise".
3. Unzip the file to "C:\temp\Projectwise".
4. Open the command prompt. NOTE! Important to run as administrator.
 - a. The command prompt is most easily opened using the shortcut to the program that's included by default with windows. Press the start button or windows logo situated in the bottom left corner on your default screen.
 - b. In the search box, type the following "cmd.exe" or "command" or "cmd"
 - c. In the list "cmd.exe" should appear.

Dokumenttitel Installation guidance: ProjectWise Explorer, v08.11.11.559, Trafikverket's installation pack		

- The first line beginning with C:\... should only state C:\ if it states something different – write the following in the command prompt “cd \” and hit enter. NOTE! The space between “cd” and “\”.

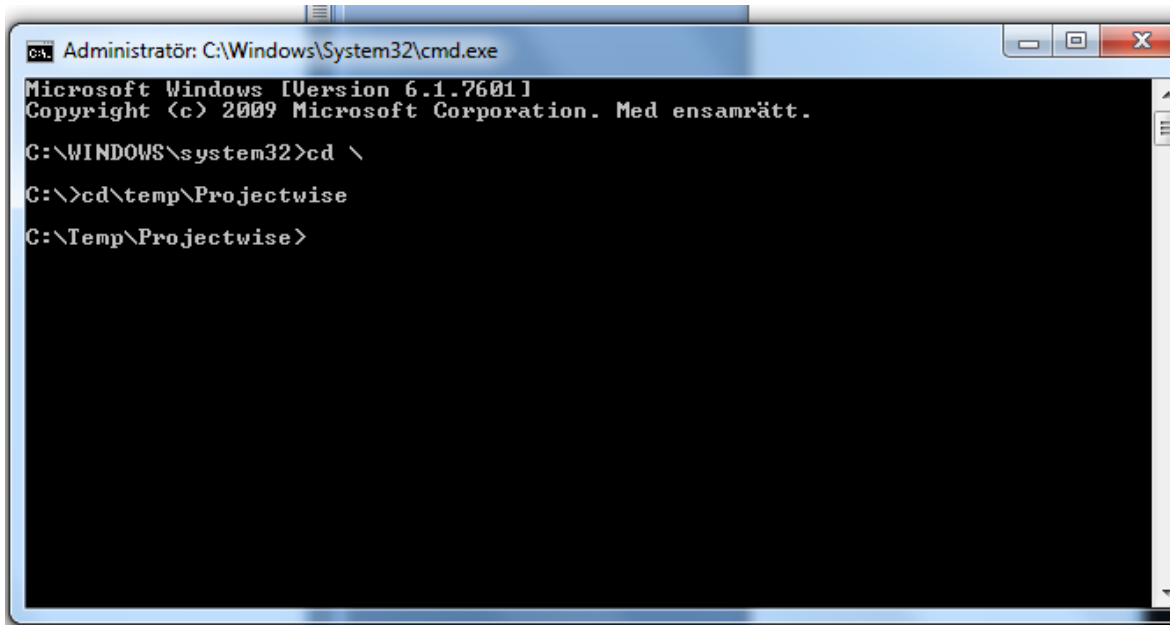

```

Administrator: C:\Windows\System32\cmd.exe
Microsoft Windows [Version 6.1.7601]
Copyright (c) 2009 Microsoft Corporation. Med ensamrätt.
C:\WINDOWS\system32>cd \
C:\>_
    
```

You have now been directed to “C:\”

Skapat av (Efternamn, Förnamn, org.) Olsson, Erik, ITau	Dokumentdatum 2015-02-26	Version 1.2

Dokumenttitel Installation guidance: ProjectWise Explorer, v08.11.11.559, Trafikverket's installation pack		

6. Write “cd\temp\ProjectWise” and hit enter

```

Administrator: C:\Windows\System32\cmd.exe
Microsoft Windows [Version 6.1.7601]
Copyright (c) 2009 Microsoft Corporation. Med ensamrätt.

C:\WINDOWS\system32>cd \
C:\>cd\temp\Projectwise
C:\Temp\Projectwise>
    
```

The command prompt will return and state that you are now located in the directory: “C:\Temp\Projectwise”.

7. If you have unzipped the file to “C:\temp\Projectwise” the next step is to write the following in the command prompt: **Install.vbs** and hit enter. The installation should now start, if not contact your IT department.
